THE PRESIDENTS ADDRESS

Well what a difference a year makes. What started with choking smoke, became bush fires, became hail, became finally the plague. However barring locusts and earthquakes, I am pleased to say football is back baby.

The club seems to have weathered the storm pretty well with over 300 registered footballers among 19 teams entering the 2020 season. Financially the club is also in a good position, which allowed the subsidisation of registration costs for members.

As the easing of restrictions continue, we hope to also get our social plans back on track. We are excited to announce that (restrictions permitting) trivia night is planned for the 22nd of August (thanks Ryan). We will be limited to 80 people so get in early to make sure you don't miss out. We are also working closely with our Sister Club to host some joint events which I hope to be able to update you all on soon.

We have a fantastic new website that was developed in the off-season. If you haven't had a chance, go check it out. I recommend the club history page. It was transcribed from the 2012 50th anniversary club history book and has some fantastic anecdotes. Be sure to get your merch as well! We've made it easily accessible

for people to be fully kitted up for the season.

I am pleased to see the SCUM back in full-force in 2020. For those new to the club, the SCUM is a collection of satirical match reports written by members of the club, amongst other things. Anyone can submit to SCUM. Send your content to scum@anufc.org.au.

I would like to thank our sponsors this year: The Hellenic Club, Capital Clinic Physiology, Gulson, and ANU Sport for standing by us in these tough times. I would also like to thank everyone on the committee for their hard work which allowed us to navigate the constantly changing advice. Thanks also go to the coaches for their extreme patience, flexibility, and commitment during this period.

Lastly, thank you to all our players and members for their patience and understanding at this time. Our club is more than a collection of teams, it is a community, and the club's spirit during this ordeal only proves what puts our club far above others. We the committee, and me personally are honoured to work with you all this year. Here's to another successful year!

Vilis est sermo,

PAT'S PRE-SEASON PREVIEW

by Pat Holloway

SL1 (Greg) and 1R (Turps) venture to Gordon (basically North Cooma) to take on Brindabella and have a FIFA Assistant Referee and former FFA Director of Referees Ben Wilson (not Williams) taking the whistle to the game. He is good and wields a lot of power at CF... please keep him onside. Greg will want to get off the blocks strongly after recruiting well in the pre-season, while Turps should be aiming for a strong start with a lineup featuring J Dawe, G Pendlebury and the triple Nicks: Speldewinde, Strauch and Wodzinski! Lachie (2) and Podge/Marco (2R) are stuck in Western West Belconnen taking on Belwest and have Oscar Zamora refereeing. Oscar is getting on a bit, but he is definitely in the "best of the old bunch" category. He also occasionally sends me Pokemon Go pictures on Facebook Messenger, so maybe ask him whether he has to 'Gotta Catch them All' to get him onside

Lachie's team were incredibly unlucky in 2019, missing finals on goal difference. I saw half their team last weekend make 7 players look like 11, so I'm confident they can work magic here. Chief Bayliss, with Larkey, Sanby and Wisdom should get the job done.

Podge's boys are like the grandfather at the party, who arrives loud, disappears for 2 hours, then returns on a jet-ski with a much younger girl and a boot full of booze.

You never know what you are going to get over a full 90 minutes... but you know its going to be special. Their lineup includes Jack Bell, Chris Schmizzi and Lachie Tan who alone can win a game for you. Unfortunately custodian Joey Mickleburgh is out this week but rumours are circulating that a certain Life Member fro Masters is being sponsored to make the long voyage to Charnwood (with security escort) to help out.

Felix (2) and Ryan (2R) play at home (And actually ON CAMPUS) at South to Belsouth (easily in the top 4 Belconnen compass directional teams). Ryan's boys have Clive Harfield who is by the book but an excellent Referee. Felix has Joseph who I have no idea about so some feedback will be good.

Both these boys have gone up two divisions from last year so best of luck! Felix has solidified his defence but the new boys up front will have to prove themselves quickly in this short season. The arrival of Clubman Paulie Mullens can only be a massive positive for this team. Ryan has well and truly molded this team into his own, and as a relation of the great Don Lovie of ANUFC mythology, great things are expected. COVID has done this team some favours, with expert gloveman Dan Clink recalled to Australia during the outbreak, and he is now available for the team. Dan Blair should

also be watched for carnage up front, and with Jared Holt at the back, expect a very low GA score this year!

Tim's returning 'Onions' in CLM4 venture to Giralang to take on idiots Belnorth, but thankfully have one of the best referees in the league, with Gordon Nesbitt definitely not going to take any sh*t from either team. The growth of the Battlers and 'withering' of the Tangas has seen a new squad formed "Battlers 2" led by seasoned leader and general legend Ryan Vickers. They take on Majura at South with a ref I don't know and a Majura team I'm not familiar with (not the ones that beat me in the GF in 2019 then!) – and with names like Bauerle, Punchihewa and a seriously lightweight HARRISON VLAHOS they should do well. The last of the new teams accommodates a bunch of new players under Greg Kelly, , with a seasoned veteran and former VP leading the boys out tomorrow in Bonython, GOOD LUCK! Scott Sharps' Dolphins (CLM3) take on Weston Molonglo in a 2019 Grand-Final Rematch on South Oval at 11am. Both teams have recruited well but have some glaring injuries for round 1.

In a DOUBLE DERBY Wilson (3) and Liecschke's STUDS (3R) take on VP Jonathan Saunders (3) and Chris Brinley's BATTLERS (3R) on South. On paper Wilson's team is one of the strongest in the Club: Scotty Degaura, Olly Hough, Evan Liew, Jonathan Maclean, Lachie McGovern!!!, Eoin, Ant, Robens, Matty Ryan and Eu Jern!!! Look Im always going to love any team with 2 doctors, 1 ex-president and bloody Lachlan McGovern so I really expect goods things from this team!

ono's boys have done an amazing service steeping up this year into the sh*thole of team allocations CF have given us..., and I wish them

all the best. They are good clubman, and half the committee! Jonathan has been an exceptional coach building these boys from the bottom half of Div 10 only a few years ago, and I'm expecting some great upsets through the year.

In the 1pm game, Jono Lieschke take the reins of the STUDS from Holloway for their first official match. With the return of Alex Dudley, the STUDS look solid, even without super-star youth signing Simon Davie or stoic defender Brett, both out for the season. Conversely Brinley's boys have stepped up several divisions to help the club, and recruited danger duo Elford and Ahern, along with a seriously good team on paper (ex-NPL Hawketts, Linden Spain, Liam Carroll, and superhouse Carl Mossop). If the best XI actually show up on the day, they will be unstoppable and may end the STUDS recent run of "undefeated in everything (except finals!) since 2016"

Masters 1 start their campaign against BURNS (Boo-urns) on Sunday. With a lineup of ex presidents (Graham, Caldwell), ex Literary geniuses (Moes, Nicholls) and master of my medical career future (Natoli). Masters 3... who have a seriously strong side for a third division with Life members (Dawson), Ex Committee (including Paterson, Lehmann, McLean) and NPL/CL/SL Coaches and generally the lifeblood of the club in one squad... all the best, Sirs!

Finally after years of delay and 'not quite enough' ANUFC, after 58 years, has an O45s team!! And what a Team!!! Channing, Plastic, Simon Cullen, MACCA, SCYTHE, Palfreman, Wisey!!! I am looking forward to some matches that are only equalled by their SCUM Write-ups afterwards boys. Enjoy the season!!!

RELEGATION DERBY

SL3

ANUFC vs Woden Valley

Royal Mint Oval

25/07/2020

Following a resounding 3-1 victory for the Battlers in SL3R, the sloping, weed-killer lined Royal Mint pitch played host to a pulsating game of SL3 football between ANU and Woden Valley. With each side coming off a round one hammering and looking to restart their season, and with an ANU side still adjusting to the jump from the lowest division to SL3, the stakes were high.

The game began uneventfully enough, with each side probing the other, and ANU testing weaknesses in a lazy Woden defence. Fast building confidence, and following Eddy Chen's physically committed example, ANU bundled home their first thanks to Dylan Kim's near post tap-in. Woden responded with spirit, dialling up the aggression and physicality through the middle of the park to equalise, beginning a tit-for-tat which would define the half. ANU responded quickly, with man of the match Xavier Ellingham slotting home his first of the afternoon, only to have it swiftly cancelled by a fine Woden strike from distance for 2-2. Invigorated, ANU met Woden's physicality head-on, and a second Ellingham strike took them into the break with a deserved 3-2 scoreline.

Coming out strong in the second half, ANU took the match to Woden with a relentless series of

attacking waves but were met with an increasingly physical and disappointingly abusive response as the opposition searched for an equaliser. ANU rose to the occasion, with the defensive line holding strong and the attacking duo of Ellingham and Aarya Bhatia working with the midfield to cause some serious defensive headaches by their physical presence and sheer skill. Despite all this, Woden managed to keep themselves in the game with a lucky equaliser into the final fifteen minutes. With scores at 3-3, and Woden pursuing a strategy described by Ellingham as "pure shithousery", the game approached frenetic pace as ANU tried everything in search of a winner. Wave after wave of attacking, team football, rained down upon the Woden defence, buoyed by crowd support and the side's full efforts. Final minutes ticked into final seconds, and Woden abuse and time-wasting seemed destined to see the game out a 3-3 draw. ANU continued to push for the win, with a final attacking flash in the 90th minute crowned by Ellingham's hat-trick strike to deliver the win 4-3.

Hard-earned and well-deserved, this first SL3 victory for the former 10th division side is a statement of strong intent for the rest of the season.

A cracking start to the much delayed season. A new look Div 3 team - lacking some players last year who were 'promoted' to the over-45s, but gaining some extremely useful new blood - showed the benefit of some solid pre-season preparations courtesy of super coach Ranse.

Against some admittedly underwhelming opponents, this was a very solid performance across the park. We had a more than full bench, featuring a few new recruits who were somewhat miraculously registered at the 11th hour. Even Jim Dawson turned out, relegating a somewhat hungover coach to the bench.

The defence was solidity incarnate, with Greg Mathams (returning to ANU after some years away in Brisbane and Sydney) being particularly impressive with his tackles and intercepts - having been fired up by the sledges of the opposition.

Midfield toiled hard and effectively on a huge pitch that made the subs bench very handy indeed. Simon, Couchie and Robbie Mason largely controlled the centre of the park, with Ben and James Prest providing the width and wing outlets.

M3

ANUFC vs Belnorth

Charnwood

19/07/2020

Jaffa put in one of his best performances for the team. But the real difference this year is up front, with newcomer Alfred bagging 4 goals and Nsangao getting one.

Having strikers who are not shy to shoot makes a huge difference. Alfred's last goal was especially memorable - in the build up he seemed to lose the ball more than once, yet he kept on keeping on until he bulldozed the ball over the line.

The other goal (our first) was an own-goal, that Simon can claim credit for - notwithstanding the fact that the ref credited two of our goals to 'keeper Chris, who is now in the running for both the golden gloves and the golden boot! Now that would surely be an ANU first.

Tougher challenges no doubt await, but this was a great start to what promises to be a very good season.

ANUFC vs Burns

Charnwood

19/07/2020

New season, new start date, new-look squad, new handball regulations, same old refereeing. Oh, John. You'll always be predictably volatile. Nonsensically contradictory. "I didn't see it because my old eyes aren't up to the job anymore". Well, there's your first indication... A first-day traditional yellow card for the coach for politely querying each and every missed offence. Some people are shirty on a Sunday morning.

New date, but same mid-season slump. Good to get it out of the way early, although it wasn't exactly our fault. With key midfielders missing - Waz with knee-knack, and Oli with Waz-inflicted shin-gah! - some players were shunted into the unfamiliar position of being on the pitch. Backline security was paramount and remained unsullied, despite a certain midfielder's insistence on attempting the ludicrous inside our own penalty area.

Tom was immense, and Brett did ok against Burns' excuse for a dangerman. However, the positives of a clean sheet and ball obsessively well-possessed meant little to our forward folk.

If football is a symphony, Nicholls is surely the conductor. His arm flailing theatrics after being starved of the ball thrice with goal gaping was worthy of The Maestro himself.

Later he demanded "allegro" and "forza", but only received "ribelle". Riccardo's 15 minute season was punctuated with flamboyant touches that had the panicked Burns defenders twisting in their kilts. But just as ANUFC's most lovable medical scientist looked the goods, calf-twang reemerged and hobbled the playmaker.

Our own-penalty-area-nutmeg-attempting elder statesman of the team later got grumpy as frustrations reached a rolling boil at our inability to achieve fluid passage through a stubborn Burns resistance.

In the end, a non-result in a non-league that may not exist. Welcome to 2020. Welcome to Charnwood. Welcome to Masters football and all that it means in the pre- mid- and post-apocalypse. If we can field a team next week, that'd be great.

FINAL SCORE

ANUFC 0 - 0 Burns

Playing football in a frictionless quagmire is usually an exercise in getting various things behind the ball. Where skills vanish only to be replaced with trepidation of other various things sliding in all directions. Legs, Studs, whatever. The ball somehow gets bouncier as touch evaporates.

Anyway, a seriously knacked ANUFC, calling on the able services of former underwear model Pat Walker, attempted to keep the ball out of the mush completely by never letting it touch the ground. Chris Wall looked onside when he finished a fluid and perplexing ANU forward move, only to be denied by the comedy stylings of the far (Gungahlin) linesman.

For anyone who has not encountered one, being officiated through a chirpy device that looked like a small torch you use to find where the key goes in your door when you get home after dark is weird. If anyone knows where to get one, I imagine a lot of fun could be had walking across any of Canberra's Saturday morning football farms and randomly chirping from inside your pocket. But kids don't listen to the whistle anyway, instead waiting for all the parents to yell stop, so where's the fun in that.

FINAL SCORE
ANUFC 0 - 1 Gungahlin

YELLOW SUBMARINE

ANUFC vs Gungahlin United

Wanniassa

26/07/2020

Gungahlin fielding two number 17s in the first half was more confusing - it was like the movie twins if Danny De Vito was the tall one. Tall DDV's trickery nearly brought results as ANU invited wave-after-wave of yellow tide (Ed. - ew!)

And so, to the closing stages of the game. Mark added to the growing list of infirm with hamstring-twang, and Gungahlin may have scored a goal. Who knows? And an ANUFC player who must not be named may have committed an act that will not be mentioned.

In the end, it was too rainy to be a real spectacle for the ages, and for Viet, who was having glasses issues. No one knows who won except the Rain Gods.
